Is It Too Late?

If you are living today, you are witnessing the total and absolute social re-engineering of the American culture. Sinister forces are actively and passionately engaged in removing every reference to God from the very society in which we live. In a few years, the country in which we live and love will in no way resemble the country into which many of us were born. The question begs to be asked, *“Is it too late to stop and reverse the devastating destruction of our Christian heritage?”*

Several times, FM103.9, **Fort Payne Christian Radio**, has aired the 5-part series **“The Silencing of God”** by Dr. Dave Miller, Executive Director of **Apologetics Press**. Dr. Miller presented overwhelming evidence that the architects of American civilization intended for the Christian religion to be the basis of the Republic. He presented undeniable evidence that the founders of our country held strong in the belief that the God of the Bible had a direct hand in the establishment of this country and that for this country to sustain, it must remain a “christian” nation. Those were the beliefs of the founders and of leaders for many generations. Sadly, that is no longer the case.

In the conclusion of this series, Dr. Miller stated that the two most pressing issues of this day, issues that will ultimately judge us before God, are the sins of abortion and homosexuality. For centuries, the sin of homosexuality has been punishable by death – no longer is this the case. Today, it is celebrated among the elite of our nation and condoned by the rest.

The question, then, *“is it too late to rid our nation of either or both of these hideous crimes?”* The answer is YES if good people stand by and do nothing. The answer is YES if good people continue to support those who promote, with their spending power, this action and lifestyle that is called an abomination by our God. The answer is YES if we continue to live as if we are in a shell and are not affected by the actions of a small minority. The answer is YES if we fail to mobilize and use the resources that God has granted us to do everything within our power to turn this nation back to Him.

The God of the Bible showed time after time how He will not continue to bless a nation that flagrantly invests itself in abhorrent behavior with no shame. No nation, not even the United States of America, is strong enough to withstand the anger of the Almighty God. I believe God is angry!

“Is it too late?” Are there any who will ***Stand Up For America? Who will Stand for Right?!***

Think about it.

Here’s hoping you’ll make the “*most of your minutes*” this week.

Hope to see you at Bible Study tonight.

In Christian Love,

Bob Strickland
